

1 Goals for the Past Week

The following is a list of our goals for the past week, as well as descriptions of their completion and/or progress:

1. **Goal 1**
(goal 1 description)

2 Goals for the Coming Week

The following is a list of our goals for the coming week, as well as details about how we plan to accomplish them:

1. **Get last year's control and interop schemes up and running in simulation**
 - Be able to launch the entire path planning/groundstation system in simulation, and send waypoints to the plane
 - Get the Interop server serving up mock missions in simulation
2. **Run tests in a wind tunnel to evaluate our airspeed and barometer sensors**

Please send us any feedback with regards to the progress we've made, as well as our plans for the coming week.
